

Tentative 4-Year Student Transitional Study Plans

Follow the plan that best matches your academic history starting Fall 2016. These are based on the assumption that you have followed the previous plans recommended by SE Department and posted in the SE Undergraduate Handbook on the department website.

For 4-year students (started at UC San Diego as Freshman):

- A. Study Plan New SE Curriculum – Sophomores in Fall 2016
- B. Study Plan New SE Curriculum – Juniors in Fall 2016
- C. Study Plan New SE Curriculum – Seniors in Fall 2016

For Transfer students:

- D. Study Plan New SE Curriculum – Transfer Students Starting 2nd Year Fall 2016
- E. Study Plan New SE Curriculum – Transfer Students Starting 3rd Year Fall 2016

***Please note the focus sequence (FS) information at the end this document as some of these requirements have also changed.**

Also: entries for GE, FS, and TE can be considered as interchangeable depending on your choice of focus sequence (FS) and selection of technical elective (TE) courses.
